**Book Summary:** An entertaining way to teach your kids  
about meaning of Christ from esoteric point of view.

ENLIGHTENED MASTERS SERIES

Long ago, before time,  
There was –

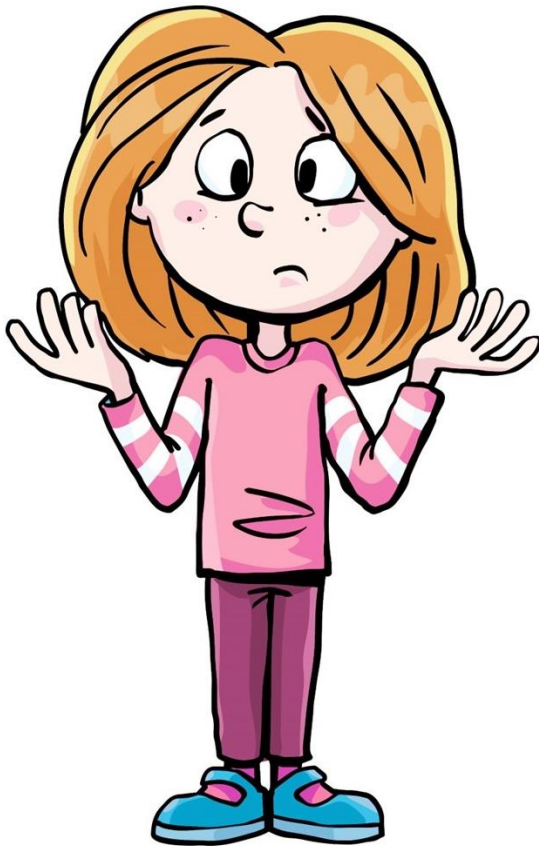

One **Conscious**  
**Mind.**

It created things to  
play,

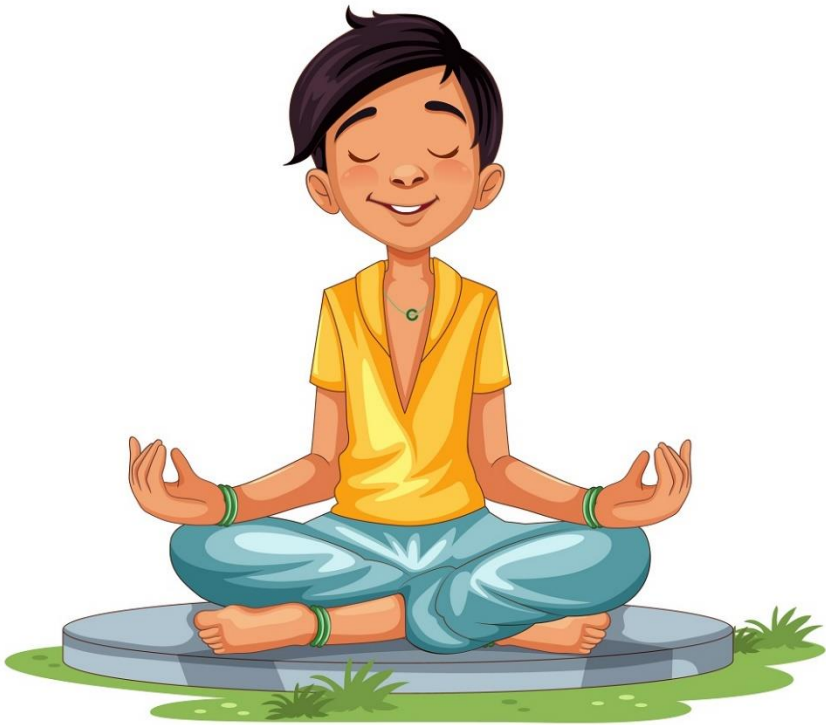

But creations would  
**NOT** stay...

Once you start another  
game,

Previous – would fade  
away.

For creations to exist,  
You cannot abandon  
things,

Then came up a solid  
plan –

Create people who will  
*Play* !

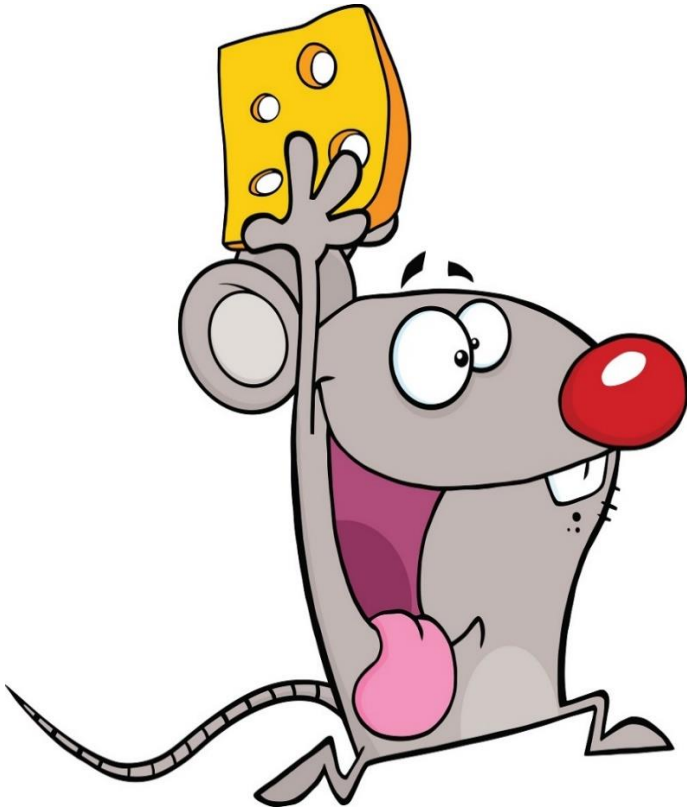

People meant to be in  
love,

With creations from  
*Above* .

Plan was perfect by  
design,

Until someone yelled:

*“ It’s Mine! ”*

And in order to have  
more,

They engaged  
themselves in wars.

As the man turned into  
beast,

Mind was given as a  
“fix”.

Now, man can be like  
God,

And create what's in  
his heart.

This worked out to be  
fine,

Until people learned –  
to lie.

They intimidated  
friends,

So much that they  
obeyed!

At this point, all fell  
apart –

People started to play  
– “God”.

And they made it very  
clear –

“God” – is something  
that you FEAR!

In the midst of all this  
shame,  
There once appeared  
Man,

He was powerful  
inside,  
But did **NOT** behave  
like “God”.

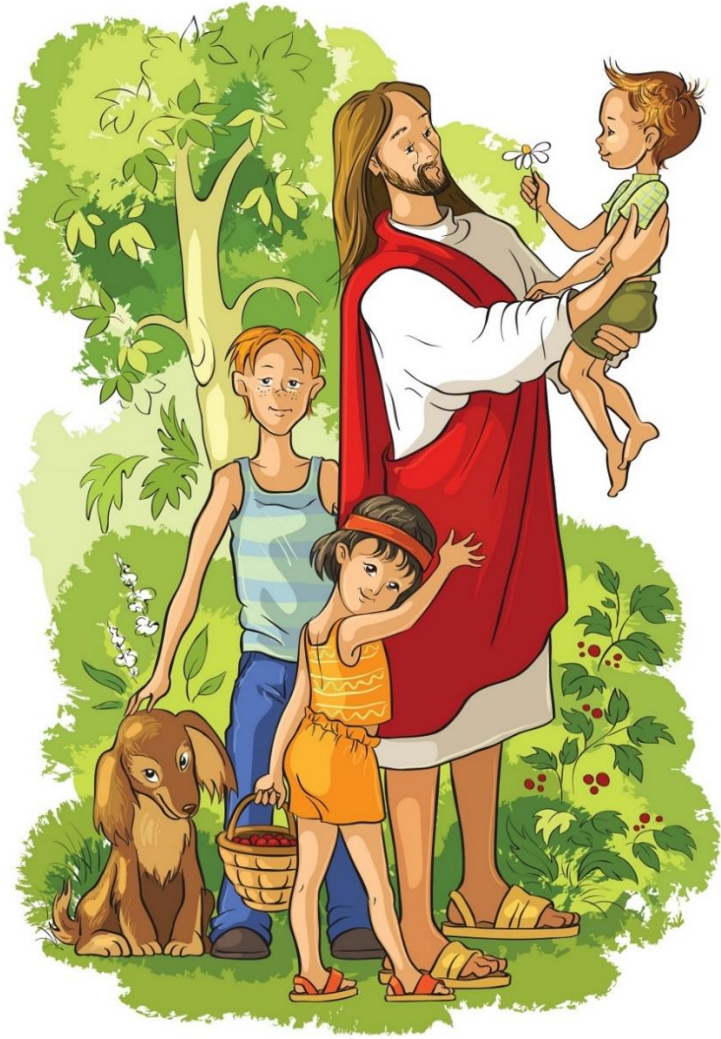

He was humble to  
admit,

That through  
*Father* are his  
deeds,

And possessed the  
biggest Prize,

State of consciousness  
as *Christ* !

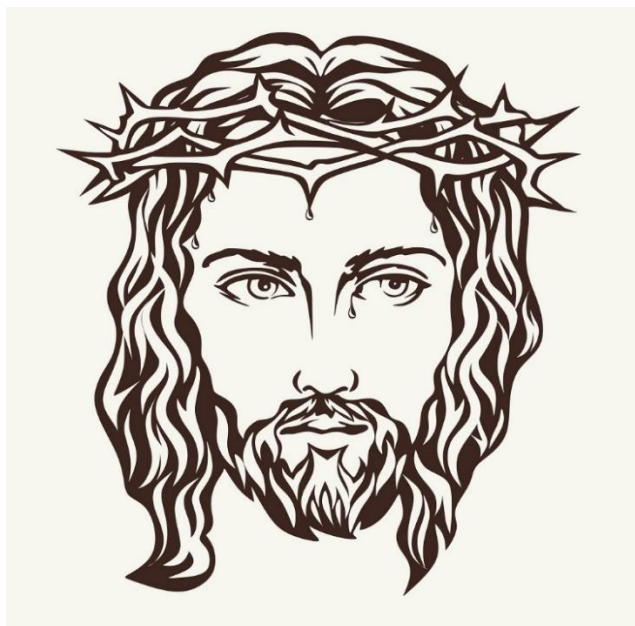

He was smart, but also  
kind,

And encouraged **NOT**  
to fight.

But unfortunate events,

Got him painfully  
condemned.

He could easily  
escape,  
And **NOT** fall into the  
trap,

But he had another  
plan –

Be example to the  
men!

Look around and you'll  
see,

People got his precious  
gift!

As they learned how to  
forgive,

Their consciousness  
would lift.

What is *Christ* ? Is it  
a Name?

Or it's something can  
be made?

This is what “Anointed”  
means,

And it's what one day  
you'll be!

There are two types of  
Mind:

# Personal and the Divine,

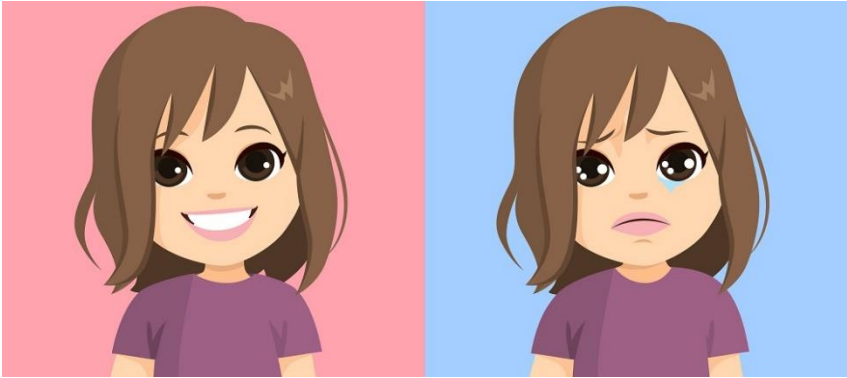

In your own little world,

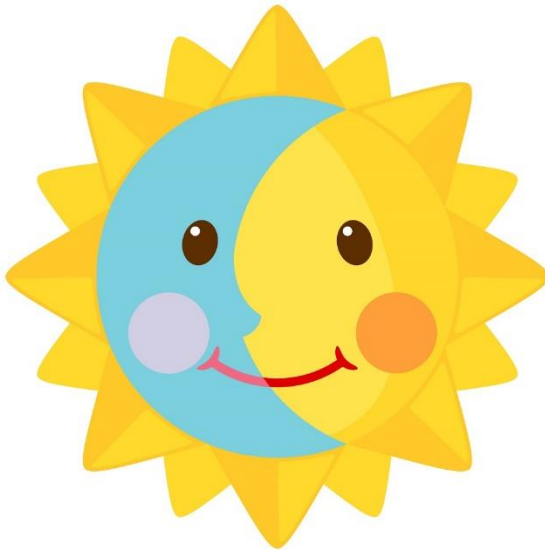

It is simply:

*Yes* or *No*.

When duality exists,

People never know  
peace.

This is why it's good to  
add,

More dimensions to  
that!

If your mind turned  
outwards,

Your result – are only  
thoughts.

Only “objects”, if I  
may,

They will live but will  
**NOT** stay!

When you turn your  
mind to *Source*,

You will find that mind  
– “dissolves”,

Now, let me give you  
clue,

It becomes a BIGGER  
you!

This Eternal “better”  
half,

Also known as –  
*Christ - Self,*

Will shine through with  
all it's might,

Through the darkness  
of your mind!

Jesus came to teach  
one thing:

“ Seek the Power  
within! ”.

– It’s the light we really  
want,

NOT just tiny, puny  
thought!

Love – is Light that  
shines from God,

It's in hearts from very  
start...

If there's nothing more  
you want,

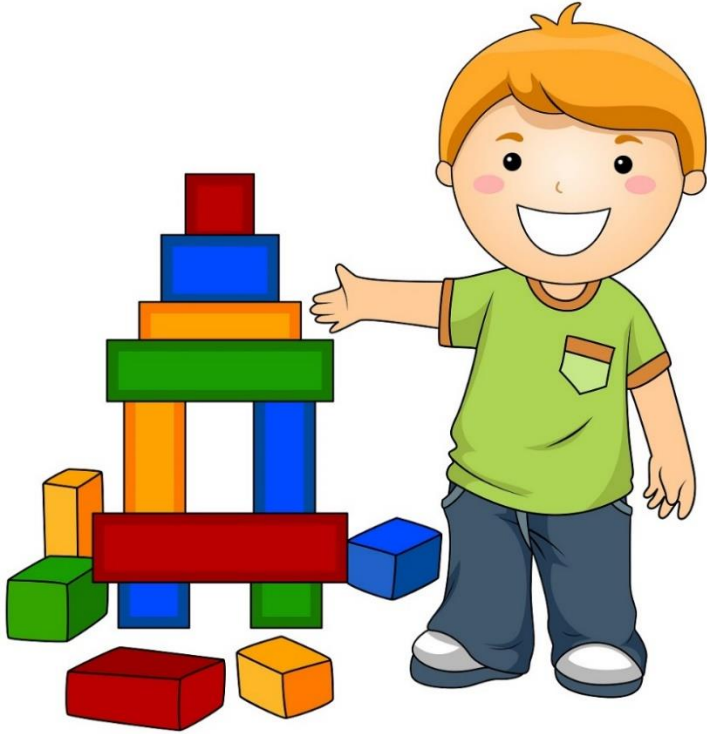

No one can “guide”  
your thought.

In it's all pure intent,

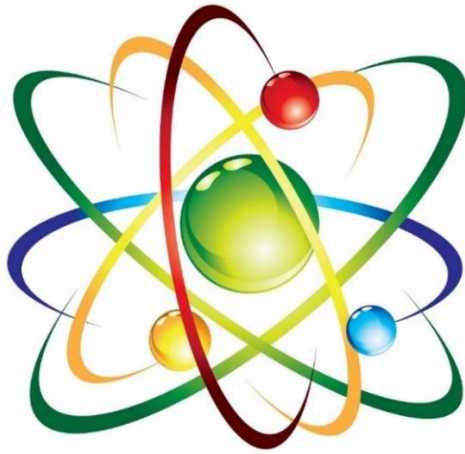

Mind was meant to be  
– your friend.

It will calculate and  
bring,

Your ideas into things.  
As you hold thought in  
your head,

Little atoms are  
propelled,

And the *Feeling*  
that you give,  
Will encourage it to  
live!

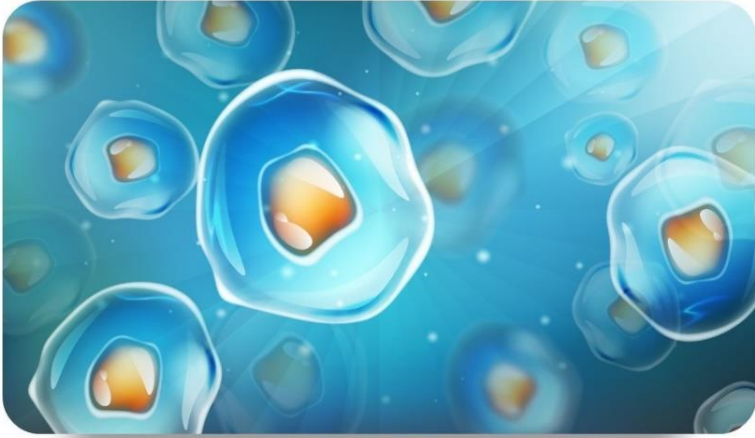

All the Thought-forms  
you create,  
Can affect your  
present state,

This is why it's good  
sometimes,

To be wonderful and  
nice!

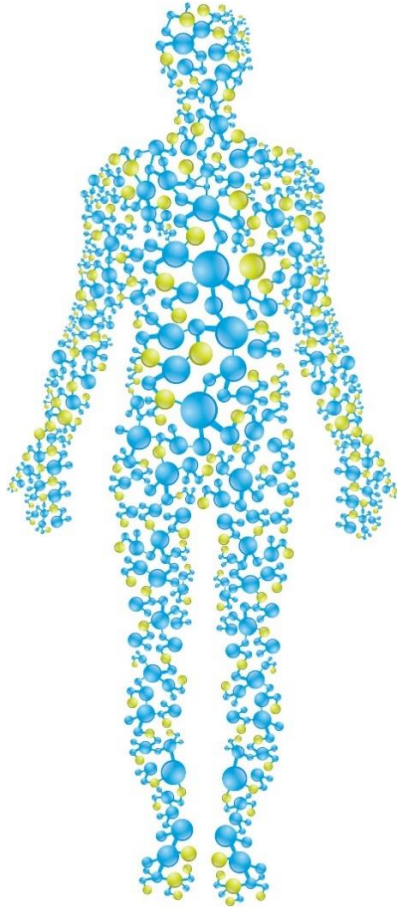

If you can't think  
nothing else –

... Molecules turn into  
cells.

And your body will  
combine,

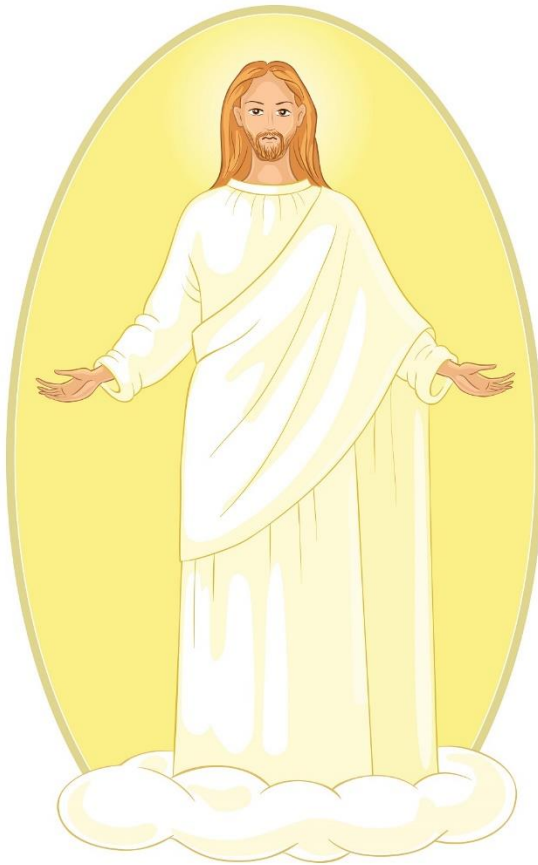

Things you hold inside  
your mind...

For our body to revive,

It will need a Love  
Supply,

It is given by the  
**Source,**

That rejects all kinds of  
force...

Even though it's alright,

To get *Love* from  
outside,

When attention is  
away,

Love will NOT flow  
your way!

There is nothing wrong  
with that,

This is how it was  
meant...

You enjoy this *Love*  
of course,

But you still come back  
to *Source*.

As your thoughts  
become less dense,

Love of Spirit takes their  
place.

Imperfections will be  
gone,

And you shine as  
*Love* in form!

Just like the sunlight  
from the Sun,

You came from  
*Creator's* Mind.

Why not let His plan  
unfold,

Make His heart your  
own Home!
