Book Summary: Is creating with God difficult? Maybe not!
See for yourself...

ENLIGHTENED MASTERS SERIES

Rise and shine! Today
we learn,

How to *Create* it
all...

You may know it or
not –

You're **NOT** separate
from God!

Would you like to
understand,

How do you lift your
hand?

It is **God** who acts
though you,

You... **ACCEPT** what
He will do!

God – is *Source* of
living force,

From your head down
to your toes!

It is **PRESENCE** in your
heart,

Which is powerful and
smart.

Every moment that you
live,

It is God, who makes
you breath...

God – another name
for Good,

Cannot be
misunderstood.

In whatever thing you
do,

It is **POSITIVE** in you!

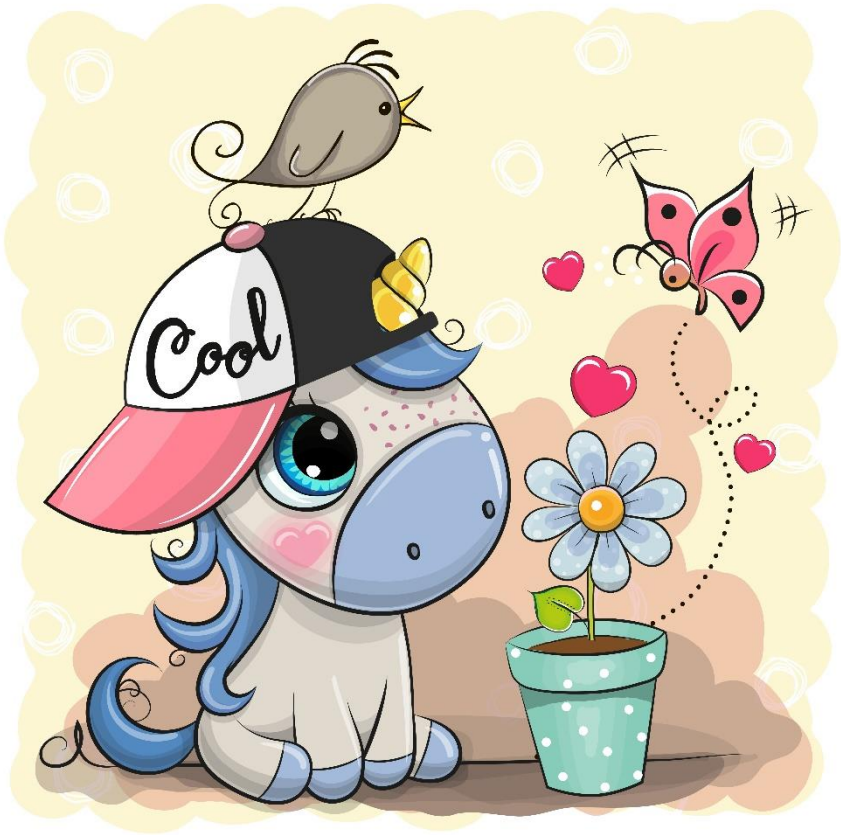

Any time you say:

“I Am”

You bring out *inner*
flame.

And give life to those
things,

That would simply **NOT**
exist...

When you call a God
Within,

Your creation will
begin!

“I AM” Presence –
God-in-YOU,

Knows what is best for
you...

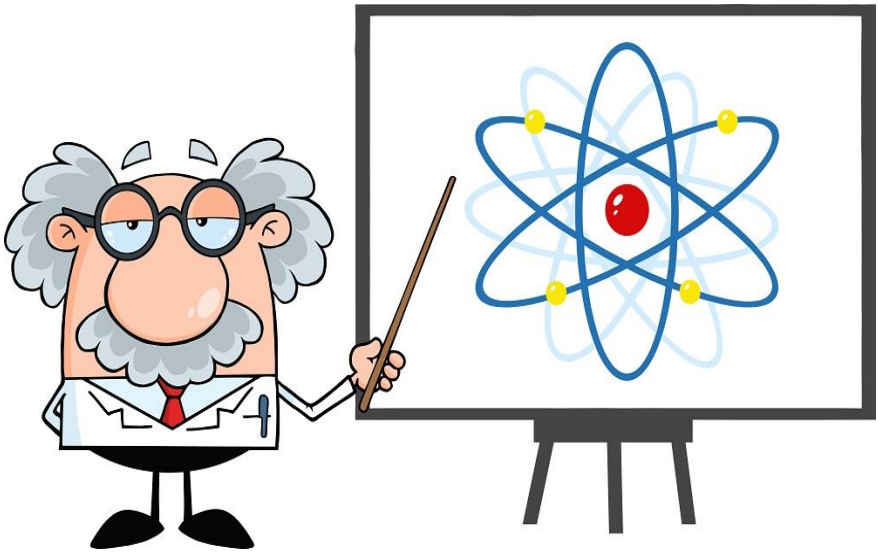

One main quality of
God,
Is that feeling that –
We are loved.

RISE ABOVE your pain
and fear,

And your problems –
disappear!

Everything you see
exist,

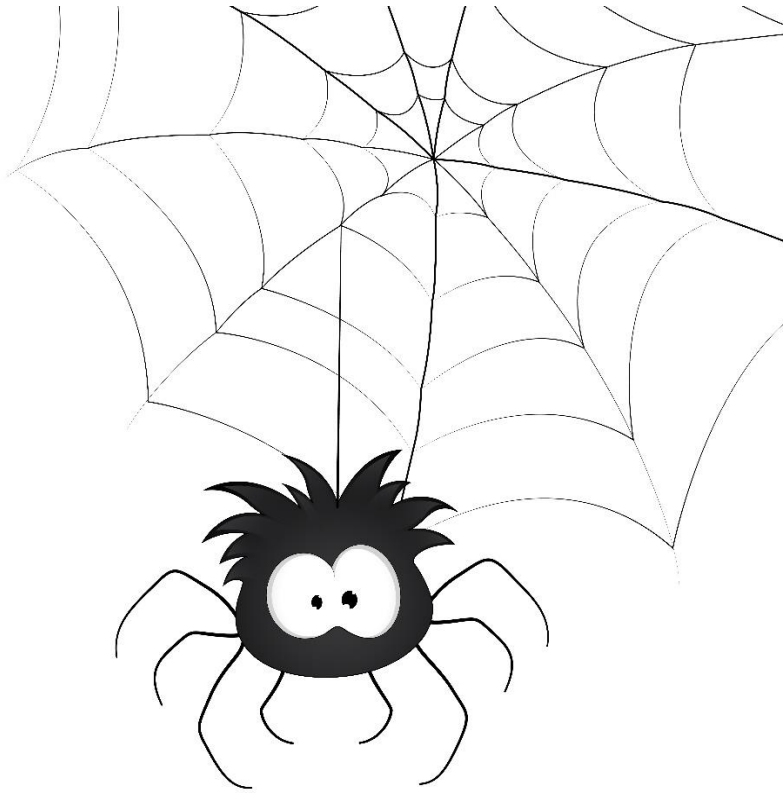

Made of particles and
bits.

You need *Love* to
give them form,

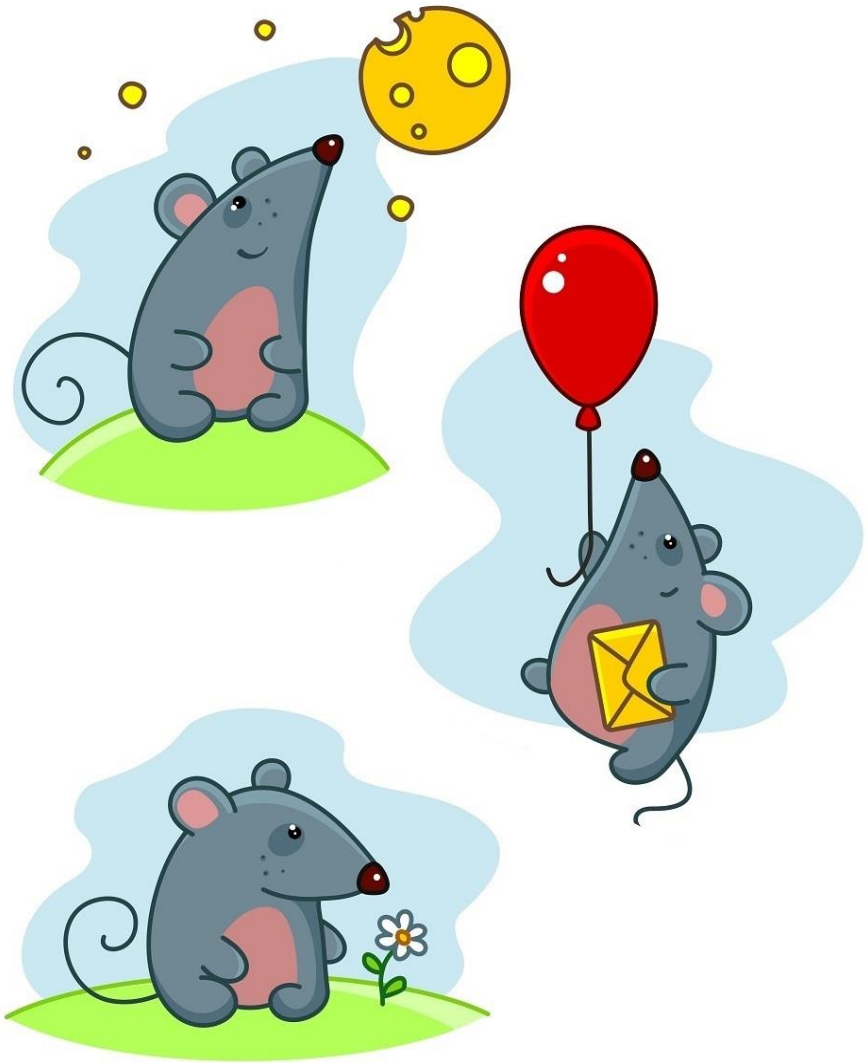

And you ask **God** to
perform!

One important thing to
know –

“There is **NOTHING** you
can *Own* !”

Everything belongs to
God!

Once accepted, you
can start...

How do you create
with God?

You should **OPEN** your
heart...

And you wait for mind
to bring,

Any well-constructed
thing!

If the problem will arise,

Give it **Positive**
supply!

Anything that's less-
than-good,

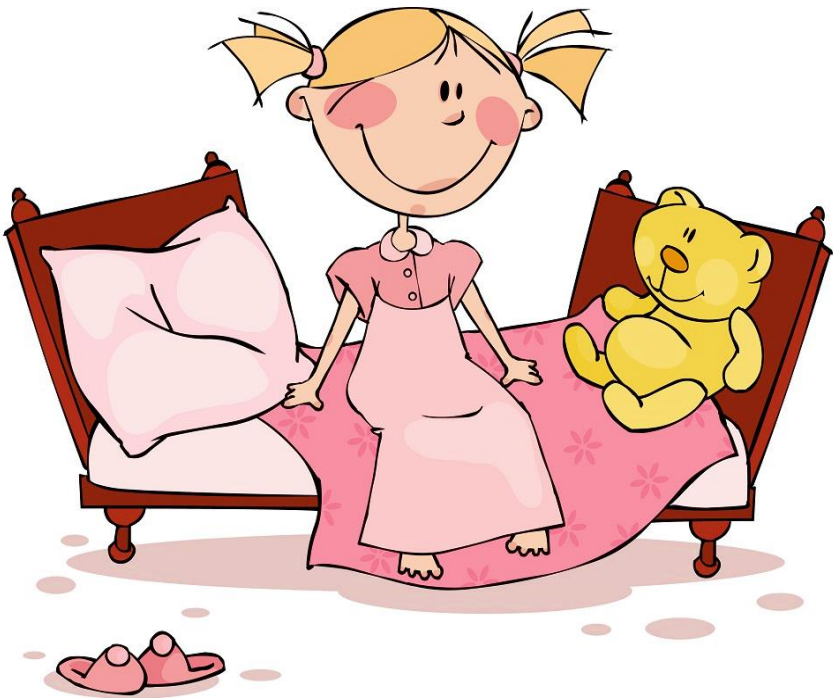

Should be “flushed”
down the tube!

Your attention is the
KEY,

For the things you want
to keep.

If you constantly
complain,

Of your feelings,
problems, pain,

You will find
that they're like glue,

Want to be attached
to you!

Health is **NOT** too far
away,

When you say with
faith:

“I am well!”

As you say and feel

“ I Am ...”,

God will activate your
plan!

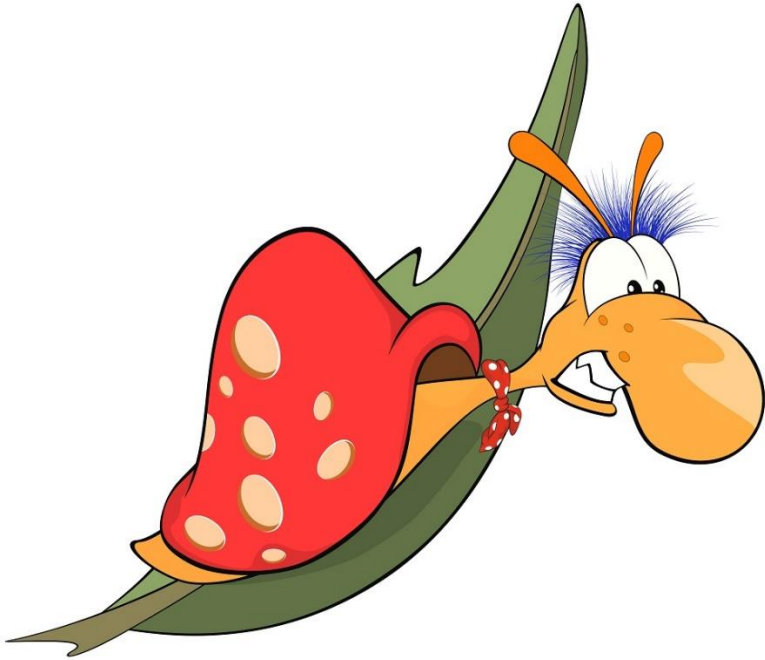

What you **think** and
feel and **do**,
Brings out harmony in
you!

If your thought comes
from your heart,

You get flow you can't
stop!

If your thought is from
your head,

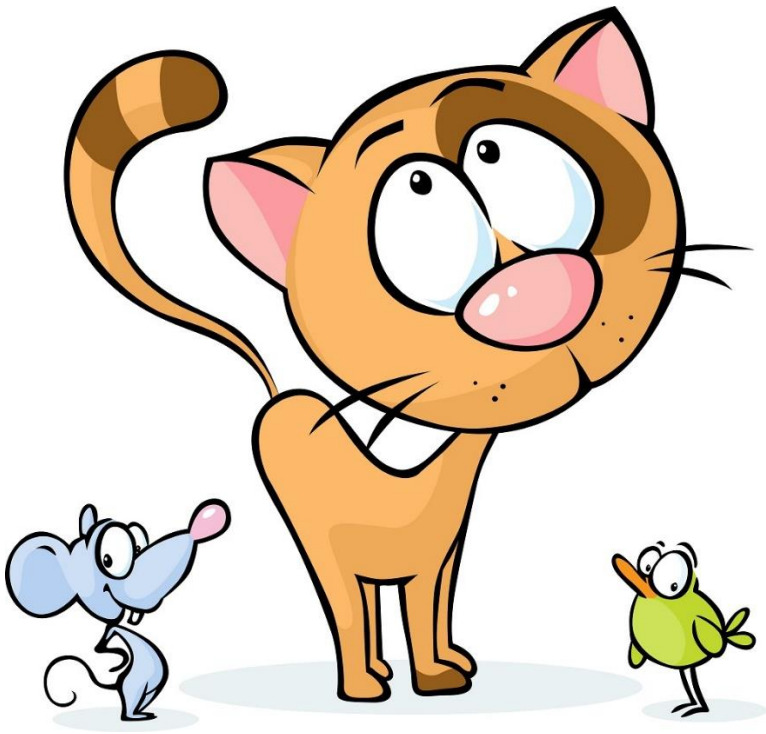

It will need a little
help...

Make it **Positive**
and feel,

That your object is for
REAL!

You can fight it all you
want,

But it's *Love* – who
guides your thought!

If you want someone
to hurt,

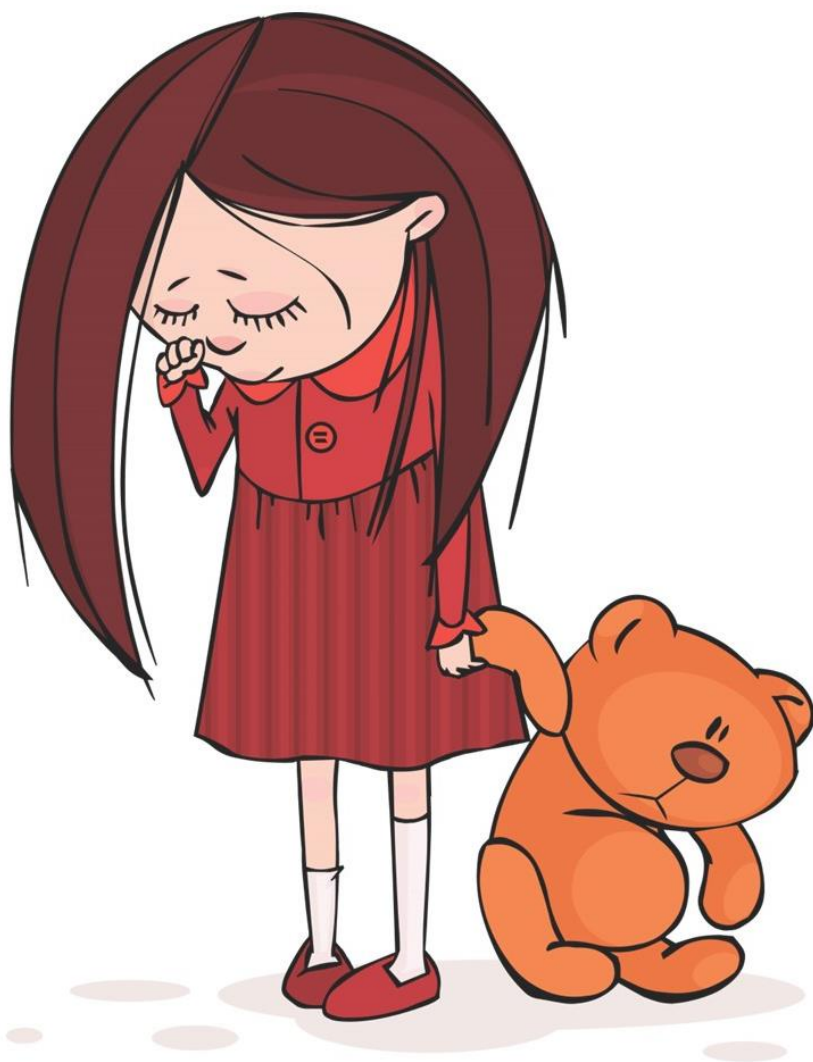

You will get what you
deserve!

Love is only thing
you need,

For creation to
complete!
All creations without
Love,

... Will eventually
“dissolve”.

Love – is bliss you
can't describe,

Without Love, there is
NO Life!

You can “give” it all
away...

But **MORE** *Love* will
come your way!

Love from others
that we feel,

Comes from the Light
that shines within!

This Eternal true
romance,

Is your life-fulfilling
quest!

God is here, God is
there,

God is always –
everywhere!

Once you “open the
door...”

You will never ask for
more!

There is NO high, there
is NO low,

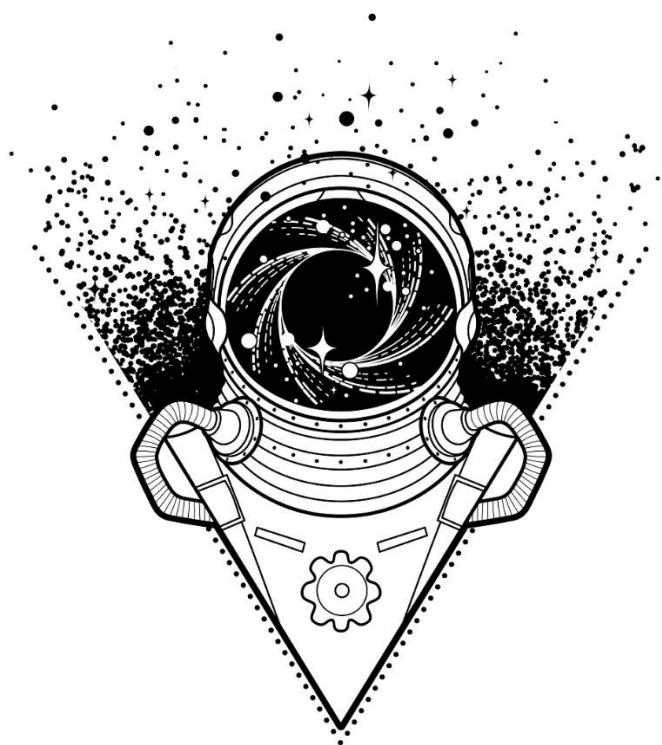

Nothing is above,
below.

Separation – is **NOT**
real,

Love – is what we
really feel!

Same
Intelligence
exists,

Outside events or
things,

ANYONE can make a
call,

And can use it to the
full!

We all have the **EVEN**
share,
Since there is no limit
there...

It's the **SAME** for all
your friends,

People, animals, and
plants!

All we ask you is to try,

Use the power of “**I**”!

You will get **ALL** that
you want,

And we build a HAPPY
World!

God, Creator – Spirit, Energy Source, Brahman

“I Am” Presence – Light Body, Atman, Soul

Positive Thinking – Creation on Mental Plane

Positive Feeling – Creation on Astral Plane

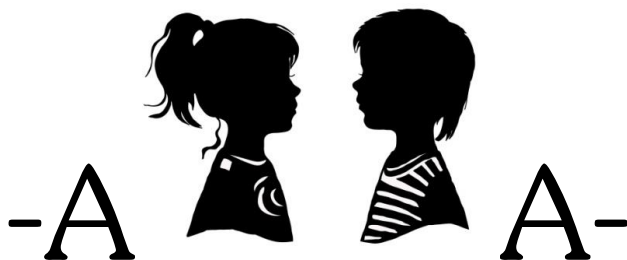

Positive Expression – Creation on Physical Plane

Faith – Acceptance & Appreciation of Divinity
